

Why Corporate Partnership?

The Pennsbury Manor Corporate Partnership Program is new and exciting! It's an opportunity for your company to align itself with businesses in the community to preserve the significant history that took place hundreds of years ago.

A partnership with Pennsbury Manor means you'll enjoy special privileges such as a place for business events and meetings (up to 200 people), the opportunity to showcase how your company supports the community, and visibility to the 30,000+ visitors that arrive at Pennsbury Manor each year.

A vibrant and growing community is one in which your business will flourish. By supporting Pennsbury, your company shows that it values history, tradition, and education.

“Pennsbury Manor is a valuable historical and educational resource offering a wealth of programs and events enjoyed by community members of all ages. As a neighbor of Pennsbury Manor, we are proud of our long history of supporting the Manor’s financial and service needs, dating back to 1932. This high level of support includes a leadership donation made to establish an endowment fund for Pennsbury Manor. Today that investment is almost triple in size.”

Pennsbury Manor

The 17th Century Country Estate of William Penn

Pennsbury Manor is the 17th century recreated country estate of William Penn, statesman, founder and first governor of Pennsylvania. It is situated on 43 acres along the Delaware River in picturesque Bucks County. Originally built in 1682, the estate closely reflects the 40 acres Penn himself had cleared. Today, Pennsbury Manor is administered by the Pennsylvania Historical and Museum Commission with the Pennsbury Society, a non-profit 501(c)(3) organization. Through tours, exhibits, workshops, and educational programs, Pennsbury shares the 17th century and the life of William Penn with over 30,000+ visitors each year.

Pennsbury Manor was among the first to receive full accreditation of the 11 historic sites and museums in Pennsylvania currently accredited by the American Association of Museums.
